Athlete 5	Women	Novice 148		0	0	22.3	4	4	6	5	9			9			9

Winner of each event get the most points, equal to the number of athletes in that group. They then descend by 1 until all athletes have points awarded.

If there is a tie, the points are summed and then divided by the number of athletes with that score.

If an athlete does not make a mark (earns a rep or distance of zero), they earn a score of zero (0).
