On the Scoring sheet there is a section for each Division
You don't want to just add rows at the bottom of the

Once all weigh-ins are complete, copy the competitor information
You can also hide the rows you don't need in each section

Each Division/Class is in a separate section, so that you can
Total 1 is just the points from the first event, but each event has its own
In the case of a tied score, points available are divided equally

The scoring for timed events is calculated this way:

Competitors who finish the course under the time limit are scored as follows:
Competitors who do NOT finish the course are scored as follows:
The "calculated time" column for the time limit is calculated as follows:
Course time limit multiplied by

If necessary, ties for final placing are broken by determining the competitor with the lowest score in the next event.

There's a scoring sheet for each event, which should be used to determine the final placing.
